

**Product description**

Material name, long description	Polyurethanes D44
Material name, short description	PUR D44
Material Code	PUR D44 70.023-00

**Mechanical characteristics**

Abrasion	Test value: 33 mm <sup>3</sup> Test norm: ISO 4649
Hardness	Test value: 70 Shore A Test norm: ISO 868
Elongation at break	Test value: 881 % Test norm: ISO 37
Yield strength at 20% strain offset	Test value: 1.6 MPa Test norm: ISO 37
Yield strength at 300% strain offset	Test value: 7.7 MPa Test norm: ISO 37
Tear propagation resistance	Test value: 28.8 kN/m Test norm: ISO 34 Test parameter: Graves
Tensile tear strength	Test value: 36 MPa Test norm: ISO 37
